YEES 2021 & In conjunction 8th Acoustic Tumor Symposium Secretariat

1117, 11F CENTENIA Bldg, 219, Gonghang-daero, Gangseo-gu, Seoul, Republic of Korea Tel. 82-2-6956-0620 | Fax. 82-70-8260-0620 | E-mail. yees@yees.or.kr

WELCOME MESSAGE

KEYNOTE **SPFAKERS**

Dear Colleagues,

On behalf of the entire Scientific Committee, it is our honor to announce and invite you to the 'Yonsei Endoscopic Ear Surgery 2021 (YEES 2021)' in conjunction with the '8th Yonsei Acoustic Tumor Symposium (8th YATS)'. This symposium will be held on March 6-7th 2021, in Seoul, South Korea. Due to the current pandemic situation, this time it will be held as an online symposium.

YEES 2021 is composed of two independent, but related programs.

'Yonsei Endoscopic Ear Surgery workshop' is designed to introduce the practicing otolaryngologist and senior trainee to the fundamentals of EES. Renowned speakers will give valuable lectures, and 10 firstcomers can share virtual reality dissection with newly developed program by Medical IP (http:// www.medicalip.com).

'8th Yonsei Acoustic Tumor Symposium' has been a venerable symposium in the lateral skull base field. As usual, this year's program includes from classical to the most cutting-edge techniques of acoustic tumor treatment.

Endoscopic Ear Surgery is a relatively new surgical technique which is gaining popularity and wider acceptance among the ear surgeons worldwide. Lateral skull base surgery demands higher level of surgical skills and many otologists are hesitant to perform. YEES 2021 provides the best possible guide in both fields for the young otologists.

Although we cannot meet in person, we hope that online conference of YEES 2021 can promote our friendship and improve academic interests. We are looking forward to see you in March.

> Jae Young Choi In Seok Moon

Seiji Kakehata

Yamagata University Faculty of Medicine, Japan

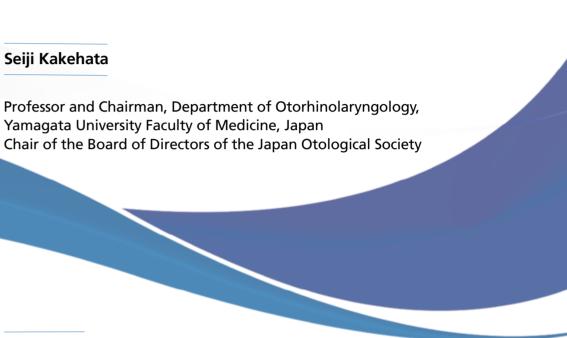

Dennis Poe

Professor of Otolaryngology at Harvard Medical School, USA

Jacques Magnan

Professor emeritus from the ORL Head & Neck Surgery Department, Hôpital NORD and Université Aix-Marseille in Marseille, France

PROGRAM AGENDA

YONSEI ENDOSCOPIC EAR SURGERY 2021 (DAY 1)

Date: 6th March, 2021 (*Based on Korea Standard Time) Venue: Virtual Symposium

PROGRAM AGENDA

YONSEI ENDOSCOPIC EAR SURGERY 2021 (DAY2)

Date: 7th March, 2021 (*Based on Korea Standard Time) Venue: Virtual Symposium				
09:00 - 09:40	:00 - 09:40 Session 6: Keynote Lecture II (Pusan National University, Korea)			
	Development of Endoscopic Eustachian Tube Surgery	Dennis Poe (Harvard University, USA)		
09:40 - 10:20	Session 7: Eustachian Tube	Moderator: June Choi (Korea University, Korea)		
09:40 - 10:00	Treatment of Patulous E-Tube	Yong Cui (GuangDong General Hospital, China)		
10:00 - 10:20 Development of E-Tube Stent Hong Ju Park (Ulsan University, Korea)		Hong Ju Park (Ulsan University, Korea)		
10:20 - 10:30	Coffee Break			
10:30 - 11:00	Session 8: Invited Lecture	Moderator: Jinsei Jung (Yonsei University)		
	How the Endoscope Has Redefined Middle Ear Anatomy	Joao Flavio Nogueira (Sinus & Oto Centro, Brazil)		
11:00 - 13:30	Session 9: Virtual Dissection	Moderator: Eun Jin Son (Yonsei University, Korea)		
	Live Cadaver Demonstration	II Joon Moon (Sungkyunkwan University, Korea)		
	Topic - Underlay Tympanoplasty, Ossiculoplasty, Stapedotomy, Atticotomy			
	Dissection Using Virtual Reality	Jeon Mi Lee (Inje University, Korea)		
	Topic - Ventilation Tube Insertion, Burtterfly Inlay Myringoplasty, Ossiculoplasty			

8th Yonsei Acoustic Tumor Symposium

14:30 - 14:40	Congratulation Remark	
14:40 - 15:20	Session 1: The Classic	
14:40 - 15:00	Translabyrinthine Approach	
15:00 - 15:20	Middle Cranial Fossa Approach	
15:20 - 15:30	Coffee Break	
15:30 - 16:40	Session 2: The Challenge	
15:30 - 16:10	Endoscopic Approach	
16:10 - 16:40	Monitoring for Function Preservation	
16:40 - 16:50	Coffee Break	
16:50 - 17:30	Keynote Lecture	
	Minimally Invasive RSA	
17:30 ~	Closing Remark	

Sung Jin Cho (President of Korean Skullbase Society)

Moderator: Jae-Hyun Seo (The Catholic University of Korea, Korea)

Seung Ho Shin (Ewha Womans University, Korea) Chan Il Song (Yonsei University, Korea)

Moderator: Bum Cho Jun (The Catholic University of Korea, Korea)

In Seok Moon (Yonsei University, Korea) Hidemi Miyazaki (Miyazaki ORL Clinic/Tokyo Women's Medical University Medical Center East, Japan)

Moderator: Ki-Hong Chang (The Catholic University of Korea, Korea)

Jacques Magnan (Marseille University, France) In Seok Moon

REGISTRATION

YEES 2021 main symposium registration fee is free for every participants who registered their name at the online homepage. Take the advantage of this great opportunity!

Registration Fee (International)
